Beltservice Corporation and Movex Expand Business Agreement

Movex S.P.A. of Telgate, BG, Italy and Beltservice Corporation of St. Louis, MO. have entered into an expanded strategic-business agreement to market and service Movex products in the United States and Canada.

The synergy created by this expanded strategic-business agreement enhances the delivery of our plastic modular belts, chains, and conveyor components designed to meet the market's most-demanding beverage, food, packaging, and material-handling applications. Movex S.P.A. will continue to focus on product innovation and state-of-the-art manufacturing processes, while Beltservice will focus on assembly, marketing, sales, technical, and post-sale services.

Movex products are now supported by a fully-trained Beltservice staff of (24) direct sales representatives, (23) technical product specialists, and (28) inside sales/customer service team members with inventory and support services located at eight Beltservice locations in the United States and Canada.

Movex S.P.A. will continue its global efforts to become a supplier-of-excellence to organizations of all sizes. In NA, Beltservice will partner with industry leading OEMs and distribution channels to provide access to Movex innovative products and services, targeted to facilitate growth and profitability in today's competitive business environment.

Thank you for your business and the opportunity to be of service. For additional information, please visit www.movexii.com and www.beltservice.com.
